1. DIARRHEA AND DYSENTERY. We have examined a great number of letter com some of the most prominet chinese of Cincin

nati and Cavington, etc., speaking in the highest terms of Dr. Strickland's Anti-Cholera Mixture for the cure of diarrhom and dysentery. The letters are too long to publish. Mr. Weeds, of Gov-logiton, says be was pronounced inernable by the best doctors in Cincinnati, and one bottle of Dr. Strickhood's Auti Cholora Mixture effected a permanent cure after suffering for months with the worst form of diarrhose and dysentry. Another says be was discharged from the United States service after suffering in the hospital for 8 months as incumble, and as a last resource tried Strichland's Auti Cholera Mixture. He got wel directly and has now entered the army again in good caltle. One man writes he has cured seven right very had cases of djarrhus and dysentry in the barrocks he was in with one hottle of this vii-unble inedicine. In fact we could fill half our pa-per with similar items from these letters. Why does not our government scenre this valuable prep-
